shew unto your honor that they are the children

father, Allen H Mileham, departed this life

valuable personal estate; that on the 16th day of
January 1883 his son, R. J. Mileham, was duly
appointed and qualified as his administrator
in the County Court of said County, and executed
bond as such, with Josephus Grabeel and France
Hiles his securities, conditioned as the law directs,

To the Hon. H. S. R. Morison Judge of the Circuit
Court of Lee County Virginia:

The Answer of R. J. Milham admr. of the estate
of Allen H. Milham decd. to a bill filed in this honorable
Court against him and others by George R. Milham & others.

Respondent says it is true that A. H. Milham departed
this life intestate in this county the owner of considerable
personal estate. And that respondent became his admr.
and gave as securities in his official bond as such Josephus
Grubill and Frances Miles. It is also true that he
has taken charge of said personal estate and has been
using his best efforts to wind and close up the busi-
ness of said personal estate, but thus far he has not
been able to collect what is due said estate.

Respondent supposes it is true that the plaintiffs
are the heirs at law of A. H. Milham decd. that their
father died before the said Allen H. Milham, and the
plaintiffs as the representatives of A. H. Milham, this respondent,
the wife of Andrew Weddle and Mildred Milham
his widow are the heirs and distributees of said A. H. Milham's ^{estate}.

Respondent says it is true that he has made a partial
settlement of his administration account before the proper
officer for the settlement of such matters, and by that settlement
respondent is shown to be in arrears to said estate a small sum.

Respondent states that his ancestor left a considerable
number of evidences of debt, which came into his hands,
many of which were at the time, and are now helplessly

insolvent, and some of these were charged to respondent in said separate Settlement, and respondent is advised that this was an error, and that he is not either at law or in equity accountable for said insolvent debts or any part thereof.

Respondent has been paying intestate debts, funeral expenses costs of administration &c. and also been making distribution of intestate estate to some of the heirs and distributees and for all these things he claims credit in the settlement of his account.

Respondent further states that in order to collect a debt of some \$ or \$ due to intestate in his lifetime from One Carlo B. Gray & Francis Wolfenbarger he accepted of said Gray in part payment thereof a piece of ^{land} ~~will~~ at the price of \$ lying near Hunters Bafe on Pawells Mountain, and this land is still in respondents hands unsold. And respondent avers that he could not have collected said debt in any other way, and having thus accepted said land in order to save that much of said debt, he will feel it a great hardship to be compelled to advance the money thereof, until such time as he shall be able to convert the same into money.

Respondent has no objection to his account being referred to a proper commissioner of the court for adjustment but on the contrary he joins in the plaintiffs prayer to attain that end and he is both anxious and willing for a

fair full and proper settlement to be made of all matters involved

Respondent having now answered as fully as he is
advised it is material for him to answer he hereby denies
each and every allegation thereof not before denied or
confessed and avoided and he now swears that the
Peffer bill he described to Respondent during his Court

Henry J. Morgan for Respondent.

I do swear that the statements of the
forgoing answer so far as made on my
own knowledge are true, and so far as made
on information derived from others I believe
them true so help me God.

Subscribed & sworn to before me this day of March 1887.
